SHAIK ABEED ALI

AI/ML Engineer | Python Developer | Data Science Enthusiast

Bengaluru, Karnataka, 560076 | abeedali48@gmail.com | +91-9392442541

LinkedIn | GitHub | HackerRank

PROFESSIONAL SUMMARY

AI/ML Engineer with hands-on experience in Machine Learning, Deep Learning, Natural Language Processing, and Reinforcement Learning. Skilled in Python and developing intelligent solutions for real-time traffic prediction, text classification, and smart surveillance. Experienced in model development, data preprocessing, feature engineering, evaluation, and deployment.

TECHNICAL SKILLS

Programming Languages: Python, SQL
Machine Learning & AI: Machine Learning, Deep Learning, Natural Language Processing, Reinforcement Learning, Generative AI
Libraries & Frameworks: NumPy, Pandas, Matplotlib, Scikit-learn, TensorFlow, PyTorch, Hugging Face, OpenCV
Tools & Technologies: Git, GitHub, Flask, Streamlit, MongoDB, YOLOv8, Version Control
Core Skills: Data Analysis, Data Preprocessing, Feature Engineering, Model Evaluation, Problem Solving

EDUCATION

Alliance University, Bengaluru, Karnataka — 2022 – 2026
Bachelor of Technology in Computer Science Engineering (AI and ML) | CGPA: 8.00 out of 10

Narayana Junior College, Anantapur, Andhra Pradesh — 2021 – 2022
Class XII | 76.1 percent (761 out of 1000)

Prasad Concept School, Anantapur, Andhra Pradesh — 2020
Class X | 88.7 percent (532 out of 600)

INTERNSHIPS

Artificial Intelligence Intern, InAmigos Foundation (IAF) Bilaspur, Chhattisgarh, India — Oct 2026
- Supported AI-driven initiatives by assisting with research, data analysis, and technology-based project activities.
- Collaborated with team members to develop innovative solutions and improve project efficiency through AI and digital tools.

Machine Learning Intern, Jyesta Corporate Entity, Hyderabad, Telangana — Jan 2025 – Mar 2025
- Built 4 machine learning pipelines for data collection, model training, and evaluation.
- Improved model accuracy by 18 percent through feature selection and hyperparameter tuning.

Machine Learning Intern, Adverk Technologies, Hyderabad, Telangana — Oct 2024 – Jan 2025
- Analyzed and processed datasets to improve data quality and model performance by 20 percent.
- Developed 3 scalable predictive models using Python evaluated with precision and recall metrics.

Machine Learning Intern, CodTech IT Solutions, Bengaluru, Karnataka — Aug 2025 – Sep 2025
- Developed 2 prediction models improving accuracy by 15 percent through feature engineering.
- Used version control tools reducing team code conflicts by 25 percent.

Python and Artificial Intelligence Intern, CodSoft, Bengaluru, Karnataka — Jul 2025 – Aug 2025
- Developed 5 AI applications for classificaion and automation handling 300 or more daily tasks
- .Implemented Python-based machine learning models for data processing and predictive analysis.

Machine Learning and Java Intern, Code Alpha, Bengaluru, Karnataka — Jul 2025 – Aug 2025
- Built chatbot and automation systems using Java and machine learning, handling 500 daily queries.
- Developed Java-based applications using object-oriented programming and problem-solving techniques.

PROJECTS

Edge-Based Federated Learning for Real-Time Traffic Prediction — Final Year Project
- Developed real-time traffic monitoring system achieving 92 percent congestion prediction accuracy.
- Enabled intelligent traffic control improving flow efficiency and reducing delays by 30 percent.

Sarcasm Detection — Natural Language Processing
- Built text classification model using neural networks achieving 89 percent accuracy.
- Evaluated performance using ROC curves and confusion matrices across 10,000 test samples.

Night-Time Safety System — Reinforcement Learning
- Designed reinforcement learning model for smart city surveillance across 5 city zones.
- Implemented experience replay and reward shaping improving decision efficiency by 22 percent.

CERTIFICATIONS AND ACHIEVEMENTS

- **Certifications:** MS Azure AI-900, Oracle Generative AI, Oracle Java Foundations, Infosys Springboard (AI and ML), GenAI with Large Language Models (Coursera), NPTEL IIT, AINCAT 2026 - All India Career Aptitude Test (Naukri Campus), Jun 2026, EF SET English Certificate B2 Upper Intermediate 58 out of 100 (May 2026).
- **Achievements:** Certificate of Appreciation from InAmigos Foundation for dedicated efforts, responsibility and commitment (Oct 2026); Letter of Recommendation from the Founder & CEO, InAmigos Foundation (Oct 2026).
